

## DUKE ENERGY CITIZENSHIP and SERVICE AWARD Nominations Due May 16

In celebration of Duke Energy's 100 years of serving the region, the company established the **Duke Energy Citizenship and Service Award** in 2004 to honor citizens for their volunteer leadership. It is a tribute to individuals or groups who make a difference in their communities or places of work by using their time, talents and compassion to positively impact the lives of others. Recipients of the award help foster a culture of citizenship and service that acts as a catalyst for others to become involved in civic and social activities. The award is designed to recognize outstanding volunteer service and civic participation over a twelve month period.

Please help us identify deserving individuals by submitting one or more nominations for this important recognition and award, which will be presented at the Greater Durham Chamber of Commerce Multi-Cultural Business & Professional Network's Circle of Influence Diversity Awards Luncheon on June 25 at Hope Valley Country Club in Durham.
