Greater Durham Chamber of Commerce

Partner with Durham Public Schools and other local public & private education /workforce related groups.

Youth Initiative – Building Bridges from School to Work

Serves as a Business Liaison – *promotes business involvement in education from birth (building a solid foundation for children) through grade 14 (the education level required by 90% of the fastest growing jobs today).*

Activities include: **career expos, industry visits exclusively for educators, company tours for students and “Diploma and a Job” Interview Day for graduating high school seniors.** Also, generate **student opportunities for job shadowing, internships and apprenticeships as well as assist staff with finding guest speakers for the classroom and more.**

Additionally, the Chamber supports the **Greater Durham Mentoring Alliance** to promote business and community involvement in mentoring and tutoring youth. **Workforce Development Forums** provide avenues to motivate the business community to support youth initiatives.

The Chamber also plays a vital role in **Workforce and Education advocacy in setting public policy.**
