Durham Young Professionals, a program of the Greater Durham Chamber of Commerce, is a dynamic group of individuals under age 40 who are dedicated to civic participation, professional and personal growth, and have a shared interest in Durham as a place to live, work and play. The group's mission is to engage talented young professionals in Durham through professional development, networking, and community service opportunities.

*Due to space limitations, we must limit each agency's display and communication pieces to only the items that will fit on a 3x3' space. Wall space will be available, but displays that exceed this size will not be allowed.*
