

Workforce Development

An opportunity to support Durham’s youth TODAY while nurturing your FUTURE workforce ...

Volunteer: to participate as a Career Professional at our second annual Career EXPO exclusively for DPS middle school students & their parents/guardians being held on Thursday, November 8 from 6-8pm at the Durham Marriott at the Civic Center in downtown Durham (201 Foster Street).

As a Career Professional – your role is to share information with students and parents/guardians about your career and the education level needed to attain the job. Your name badge will list your first name and career title. You will have 3-4 feet of table space near other professionals from your industry i.e. finance careers will be located in the finance section, though there will be exceptions. You may bring SMALL hands-on items and company brochures i.e. an interior designer may bring fabric samples, etc. WIFI is available. Electricity is not available (to keep costs down). Large company displays are not appropriate. Reminder – the focus is to be on careers, NOT companies.

Logistics: Thurs Nov 8 -- arrive 4:30pm, set-up; enjoy refreshments; 5:15pm – group meeting on student scavenger hunt, conversation starter tips, free parking info, etc.; 6-8pm - SHOW TIME!

Register: send the following information to: khoffmeier@durhamchamber.org (fax 688- 8351) Reply ASAP as space is limited. Note: there is no cost to Career Professional Volunteers.

1. Name : 2. Job Title:
3. Company (name for group recognition only):
4. Phone: 5. Email address:
6. List something unique about your career (i.e. began as a musician, now own a recording studio):

For more information, contact Kathy Hoffmeier, VP Workforce Development: 919-682-2133 ext 228
